<p>Minghsin U. of Science and Technology</p>		<p>The "Regulations Governing Scholarship Programs for Foreign Students at Minghsin University of Science and Technology" was drafted for the purpose of encouraging international students to apply for admission to Minghsin University of Science and Technology (MUST). It also grants foreign students' tuition fee and living expenses. Moreover, it aims to improve the internationalization of the University.</p>	<p>1.The term "foreign students" as used in these regulations shall mean foreign students as specified in the "Admission Regulations of Minghsin University of Science and Technology (MUST) for Foreign Students". All international exchange students from our sister schools that have got the matriculation of MUST are welcome to apply for the scholarship in accordance with this formula. 2. Students who have received grant of scholarships from the government are not eligible to apply this scholarship. 3.Students with low family income (must present proved documents), or have received recommendation letters, or maintain 2.5 GPA for undergraduate school/ 3.0 GPA for graduate school without any record of misconducts, are eligible to apply. Undergraduate applicants must present Total GPA from High School. Students from Malaysia are required to score higher than level D on the SPM exam and submit 2 recommendation letters (one from Malaysia's United Chinese School Committee's Association).</p>	<p>This scholarship program, which grants full tuition fee, is limited to maximum of 15 students per year. In addition, all international exchange students from our sister schools that have got the matriculation of MUST are welcome to apply living financial aid. This financial aid, which limits to 6 students per year, grants NT5000 per month and up to 12 months. Students who have received the scholarship must re-apply for the next school year. Bachelor and Doctoral Degree students can apply for 4 consecutive years. Master Degree students can apply for 2 consecutive years.</p>
